To the members of Tsadra Foundation,

It is my pleasure to recommend Margaret Mora. We have known each other for over 12 years when we both attended the Kagyu Do Ngak Chö Ling Buddhist Center founded by Kalu Rinpoche in Majorca. In all this time, she has proven to be a person of integrity, responsible, hardworking, and highly intelligent, as well as a great student and practitioner of Dharma.

This past year and a half, we have been more in touch as I am currently the president of the Kagyu Do Ngak Chö Ling Buddhist Center and Margaret has been residing at this Center. For this reason, I have been able to see how she has become a guide and an example to follow for the sangha. We all have great admiration, affection, and respect for her.

She is always concerned with expanding her knowledge and skills about the Dharma. She is also a great translator and communicator, and she can assimilate and explain Dharma concepts very clearly for all of us.

For all the above, I consider her a great person worthy of trust and with aptitude and capacity to face any responsibility that remains in her charge. In addition, I can assure you that she is a person with impeccable ethics.

I recommend her without reservation. If you have any questions, feel free to contact me at [xiscaln@hotmail.com](mailto:xiscaln@hotmail.com)

Sincerely,
