Hello Carol,

Congratulations! Wonderful news that you have been approved for the retreat.

We are in the midst of reviewing the 1st cycle of the retreat. By way of a heads up, I'm anticipating that there will be an increase to the monthly fees for the next cycle.

Details of the amount of the monthly fees, amount of the deposit and requirement for full payment of the fees will follow.

All the best,

Les

Hi Nancy -

I'm trying to schedule a couple of things, including a letter from Lodro Sangpo for you and possibly an inquiry and application to Tsadra for July 31.

Do you think you would be able to give me confirmation, whether yea or nay, by July 28 or 29? And if so by when would you need Sangpo's letter?

This is great, Carole.

I'm traveling at the moment, in Edmonton...I might be slow replying at times.

Hi Nancy —

I have submitted my application. I will be meeting with Lodro Sangpo next Friday, July 18, after he returns from Vancouver. I will ask him if would supply a letter of recommendation. If you need anything else, please let me know.

Last night I dreamed I visited the retreatants and asked for their blessing that I might join their retreat. Very nice.
