

Venerable Wangchen Tulku Rinpoche  
**SER CHO LING**

To whom it may concern,

This letter is to confirm that Ani Pema Dolma has been accepted to enter the traditional three-year retreat under my guidance.

Pema Dolma is a devoted Dharma student who has shown sincere commitment to the path. She has undertaken many preparatory practices with dedication and took ordination with His Eminence Tai Situ Rinpoche in March 2025. Her aspiration to enter this retreat is genuine, and I believe she will use this opportunity to deepen her practice and benefit beings.

Any support provided to help her accomplish this important step is greatly appreciated and will directly serve the purpose for which such foundations were established.

With blessings,

Wangchen Rinpoche
