

To whom it may concern,

I hereby declare that Eduardo Bermejo Moreno is a trustworthy full-time earnest meditator presently devoting his life to the cultivation of meditative raptured equipoise at the Meditation Retreat House of Caneto (Spain) following the instructions of his root guru, Lama Djinpa Tarchin (1937–2017), according to the Shangpa Kagyü lineage of transmission, and under my direct and daily supervision.

I fully endorse his meditation practice and attitude towards meditation, and I would sincerely recommend any subsidizing or scholarship to support his spiritual life.

For any further enquiries, please do not hesitate to contact me.

Sincerely,

Lama Tsültrim Dorje (Antonio Martínez-Ortín)
