

# Financial Situation

For now, I have not much. Yet, happy with few things, I'm easily satisfied !

## PERSONAL SAVINGS

Working in Paris my expenses were almost equal to my salary, for which I have no personal savings.

## FAMILY SUPPORT

No family in France, and so no financial support from this side.

A large heart family of good friends. Among them five people agree to support me on a monthly regular basis as follows :

- 50 €/ month
  - 50 €
  - 50 €
  - 50 €
  - 20 €
- =220€/month

Some other donations have been made specifically for the retreat  
 $100+80+60= 240$  € total amount collected.

## WORK AND OTHER INCOMES

Since I moved in Dordogne to prepare the retreat, and since I will have some monthly fees to cover for housing, food and local transportation, I will look for work in the area.

Yet, my purpose is not to find a full time job in order to get more and more time to practice.

So this may not be the main income source for the retreat, although it may help for the first months.

Sincerely, I would be really grateful if you could grant your support for this three-years retreat !
