

Financial situation:

I have about 500Euros

My family probably will help me pay for visa and airplane ticket to us 1200\$

Also probably first month of preparing the retreat in Karme Ling, 1000\$ from my family

The rest 25000\$ I don't have, you know Romania is a poor country, I am a monk, reach sponsors I don't have, only like sometimes someone offer to buy for me a zen, robes, or to help me pay for some teachings.
