## **Kagyu Samye Ling** **Monastery and Tibetan Centre**

To whom it may concern

**Re: Elizabeth Ferris / Jamyang**

This is to confirm that I have known Liz Ferris since 1993 when she first came to Samye Ling. In May of that year she took Genyen vows from me and completed one year living as a nun in Samye Ling.

Having completed her one year commitment, she returned to the life of a layperson. However she remained in contact with me and always did her best to follow any advice I gave her. She never lost her aspiration to live a spiritual life and now her children have grown up she wishes to enter retreat and become a life-long nun.

Therefore she will enter the Women's Retreat on Holy Island in July 2024. Her commitment is first to complete one year in retreat and to re-take Genyen precepts until it is possible to receive Getsul vows. She then hopes to continue in retreat for as long as she can.

I approve of her application to Tsadra for help with funding.
