Understanding Coverage Choices

Below are general descriptions of types of insurance coverages. You'll want to consult your policy for terms, conditions and limits of your own insurance coverages.

Homeowners Insurance

Dwelling Protection - Covers the home you live in and other structures attached to it such as a garage, porch or deck.

Additional Living Expense - Can help by reimbursing you for reasonable increases in living expenses when a loss Allstate covers makes your residence uninhabitable. This may include payments for the cost of a hotel, food and other expenses.

Family Liability Protection - Can help protect you from financial loss if you're legally obligated to pay for another person's injuries or damage to another person's property.

Guest Medical Protection - Can help pay for reasonable and necessary medical expenses if a guest is injured in an accident in your residence.

Personal Property - Safeguards the possessions inside your house, such as furniture, bicycle, stereo and more.

Other Structures Protection - Covers other buildings on your property that are separate from your home such as a stand-alone garage or a shed.

Service Lines - Extra protection against service line failure. From repairs and landscaping to excavation and living expenses, this can help cover damages if lines fail.

Water Backup - Covers damages when your drain backs up or sump pump breaks.

Building Codes Coverage - Covers increased costs due to the enforcement of any building codes, ordinances or laws regulating construction,

maintenance or demolition of your home. This only applies to repairs or reconstruction required after a covered loss.

Loss Assessments - Coverage for home owner association assessments for a covered loss to commonly owned property.

Extended Coverage on Jewelry, Watches and Furs - Extends coverage for jewelry, watches and furs.

Identity Theft Expenses - Allstate's Identity Restoration Coverage provides high-quality fraud assistance, handling everything from proactive fraud alerts to inquiries from creditors. The moment you contact us, a personal fraud specialist will help lock down your personal info and help repair any damage to your identity.
