Dear Mr. Chapman,

I am pleased to write a letter of recommendation for Milani Cardona. I highly recommend Milani for this scholarship as I feel that she is the perfect candidate for this opportunity.

I have known Milani for the past 12 years. Aside from being my administrative assistant when needed, Milani has come to be one of my friends. Milani is a dedicated and hard worker and has proven to me time and time again that she is resilient and that she can accomplish anything that she puts her mind to. Milani has a beautiful soul and I can't imagine anyone more fitting for this type of challenge.

Milani is well equipped to grow from challenges that she is presented with. She demonstrates patience and perseverance. I strongly endorse making Milani a member of your team as you will come to see that her presence will change the lives of everyone she comes in contact with, for the better.

I am happy to speak with you regarding Milani should you need me to.
Sincerely,

Stephan R. Gross
