

Rangjung Yeshe Gomde Austria

Recommendation letter for Christian Casanova

Dear Tsadra Foundation

I first met Christian Casanova in 2010 during a summer retreat in Gomde Denmark where he took refuge with our Teacher Chökyi Nyima Rinpoche. I have since met him at least once a year during retreats at Gomde Austria and later at Gomde Pyrénées.

After Christian moved to Bhutan in 2014, he has been diligently attending several of Rinpoche's teachings in Katmandu as well as retreats at Asura Cave for our Tara Triple Excellence Program. Christian was always diligent and not missing even one single session. Our Sangha was happy to have Christian around since he's doing everything with ease and a kind smile on his face.

Rinpoche was very happy to hear that Christian is planning to start a 3-year retreat now.

I have no doubt that he will participate in the 3-year retreat with diligence and that it will be of great benefit for himself, our Sangha and Rinpoche's activities in the future.

I am also very happy that he has volunteered to arrive at Gomde Pyrénées 3 month ahead of schedule to help with his skills to prepare for the 3-year retreat.

It is my heartfelt wish that he receives the financial support for 3-year retreat and pray for his successful application for your kindly granted scholarship.

Sincerely,

Lama Tenzin Sangpo
