

Venerable Wangchen Tulku Rinpoche
SER CHOLING

To whom it may concern,

This letter is to confirm that Yeshe Nyima has been accepted to enter the traditional three-year retreat under my guidance.

Yeshe Nyima is a devoted Dharma student who has shown sincere commitment to the path. He has undertaken many preparatory practices with dedication and took ordination with His Eminence Tai Situ Rinpoche in March 2025. His aspiration to enter this retreat is genuine, and I believe he will use this opportunity to deepen his practice and benefit beings.

Any support provided to help him accomplish this important step is greatly appreciated and will directly serve the purpose for which such foundations were established.

With blessings,

Wangchen Rinpoche
