

Venerable Wangchen Tulku Rinpoche
SER CHO LING

To whom it may concern,

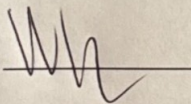

Yeshe Nyima is a devoted Dharma student. He loves Dharma and came to me and did Nyungne practices with sincerity and dedication. In March 2025, he took ordination with His Eminence Tai Situ Rinpoche, which reflects his commitment to the path. Through these practices, I have seen he is very serious about Dharma and sincere about wanting to do the three-year retreat.

He currently does administration work at Ser Cho Ling, and he has been steadily preparing himself for this important step.

If Tshadra can support his three-year retreat, I greatly appreciate that very much, and their foundation's original goal will really serve that purpose. Yeshe is very serious about Dharma and now serious about Dharma practice.

With prayers,

Wangchen Rinpoche
