

Rinchen Ling, 20 March 2025

Dear Grant Committee,

I have known Dominika Hryniewicz for a few years now, and it is without hesitation that I highly recommend her as a strong candidate for the Tsadra grant.

I have been in charge of the retreat center of Rinchen Ling on behalf of A.C.E.C. As you know, the place was established by Pema Wangyal Rinpoche under the guidance of Kyabje Dudjom Rinpoche and Dilgo Khyentse Rinpoche.

Dominika has been living here for over two years, following the completion of a six-year retreat under the guidance of Pema Wangyal Rinpoche. Since then, I have witnessed her unwavering dedication to the practice of the Buddha Dharma and how she has managed to follow the strict regimen of a closed retreat on her own.

There is no doubt in my mind that she would greatly benefit from financial assistance, allowing her to dedicate herself fully to her practice with minimal distraction. While the center cannot provide for her needs, it is an ideal place for practice and has been blessed over the years by many teachers. We can also offer a well-contained structure to facilitate her practice.

With this, I sincerely hope you will consider her as an eligible candidate. Please don't hesitate to reach out if you would like further information. I would be happy to share more about Dominika's dedication and our center.

Yours,
