Recommendation

To whom it may concern

Mister Roland Kübler has been serving at our Buddhist Center as a interpreter from English to German for guest lecturers since 2017. He acted both as a simultanoeous, as well as a bloc interpreter. Furthermore, he assisted us with English texts on our website.

Mister Kübler's abilities as well as his competent manner for both the spoken as well as the written translation work fully satisfied our needs. We are pleased that we can continue to count on his assistance as an interpreter and translator in the future and recommend him in this function.

You are welcome to contact me for any further inquiries.
With kind regards

Flaviu Huber
